Introducing a premier luxury villa project nestled in Konia Village, Cyprus. Experience modern living in this secluded haven, where privacy meets elegance. Enjoy the unique advantage of proximity to a large project green zone, seamlessly connecting to public green spaces. Residents have access to recreational facilities like tennis and basketball courts and a playground just steps away from their homes.

The architectural design is a testament to modern sophistication, with sleek lines and innovative use of textures in each villa exuding an air of elegance.

To ensure utmost comfort, high-quality upgraded technology is integrated. VRV systems provide efficient cooling and heating, while underfloor heating adds luxury, providing warmth underfoot during cooler months. This project presents an exclusive opportunity for a luxurious lifestyle in Konia Village, offering refined living experience unparalleled in the area.
